Lloyd's Register of British and Foreign Shipping

Received 10th February 1914
17 Palmerston Buildings,
Auckland, N. Z.

10th February 1914

Sir,

Enclosed herewith please find Certificates of Survey on Hull, Boilers and Machinery of the s.s. "KARORI" (specific survey No 3) together with account of fees for same £24:16:0, including £1:1:0 for cables to and from London in connection with the survey.

I would respectfully call your attention to the condition of the decks aft, also condition of an intercostal under the port main boiler. Subject to the Committee's approval, I have arranged with your Mr Gilles, that repairs to these be effected within twelve months, the vessel in the meantime to be eligible to remain as classed.

I am, Sir,

Your obedient Servant,

Chas. C. Plunkett

The Manager, New and Dredgin, in case the vessel should be

Union Steam Ship Coy.,
AUCKLAND.
