Dear Sirs,

We are obliged for your favour of the 18th with reference to the steamer "BOSILJKA" and we are communicating with our Agents in New York, informing them that General Examination for maintenance of class is not required until September of this year.

We presume that the circular that you enclosed with your letter, reference the replacement of Surveys by General Examination, is in the possession of your New York Surveyor and have accordingly asked our Agents to contact him for a copy of same.

Yours faithfully,

JONASON, BRAY AND COMPANY, LTD.
