The Secretary,
Lloyd's Register of Shipping,
Fenchurch Street, E.C.3.

Dear Sirs,

S.S. "BOSILJKA" Classed 100 A.1. at
Lloyd's.

Under Power of Attorney from the Owners in Yugoslavia and supported by License we hold from the Board of Trade, we are the Managers of this vessel. She is at present on timecharter to the Ministry of War Transport and is trading between Chile and the Mexican Gulf with nitrate.

Last year, in August, we received from our Agents in New York, a cable stating that Lloyd's agreed to Year of Grace till September 1942. We have received no Certificates and we shall feel obliged if you will let us know when the survey has to be done in September next, or in case of need, whether same can be postponed for a further period?

According to a cable received on the 12th instant from our Agents, the Evaporator has been out of order for sometime and the Master suggests repairing same in October.

Yours faithfully,

JONASON, BRAY AND COMPANY, LTD.
