Enclosure.

19th October, 1937.

Dear Sir,

E.

I return herewith one copy of the plan, forwarded with your letter of the 15th instant, of general pumping arrangement proposed by Messrs. Charles Connell & Co. Ltd., for their Yard No. 425, and I have to inform you that this plan will be approved provided the arrangements be as shown and amended thereon, and the remaining requirements of Sections 20 and 34 of the Rules (1937-8) be complied with so far as they are applicable.

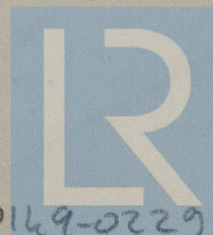

I have to add it is considered desirable that Nos. 6 and 7 double bottom tanks should have their centre suctions led to the after end of the tank instead of the forward end as proposed.

The plans forwarded for purposes of reference are also enclosed.

I am, Dear Sir,

Yours faithfully,

The Secretary,  
GLASGOW.
