Closures.

Dear Sirs,

I enclose herewith a letter which I have addressed to the Compagnie Generale de Dragage et d'Entreprises Maritimes in regard to the classification in this Society's Register Book of the Dredger "LA LOIRE", and as it is understood that you are the Owners' Agents in this country, I shall be obliged if you will kindly forward this communication to them after perusal.

Perhaps also you will be so good as to let me know what arrangements they propose making to comply with the requirements of the Society's Rules in regard to outstanding surveys.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

& Dredging Co. Ltd.,
