25th April, 1919.

Sirs,

I was duly favoured with your letter of the 16th inst. respecting the case of the Dredger "LA LOIRE", and in regard thereto I beg to inform you that the Committee have again had the case of this vessel under their consideration.

In the exceptional circumstances they have decided to again defer action for the present, but they trust that suitable arrangements will be made for the Special Survey No. 2 to be held on the vessel's return to Marseilles within the next few months in order that the vessel's classification may be maintained.

I am, Dear Sirs,

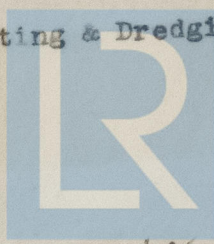

Yours faithfully,

Secretary.
