Dear Sir,

Dredger "La Loire"

With reference to your telephone enquiry of the 14th inst as to when your Class requirements would be carried out, we have to state that we expect the vessel to come into Marseilles within the next three months in order to load further gear, and trust it will then be possible for your survey to be carried out.

We hope your Committee can kindly grant us this further extension of time, and oblige.

Yours faithfully,

TILBURY CONTRACTING & DREDGING CO LTD
