

GENERAL REMARKS (State quality of workmanship, opinions as to class, &c.)

The Boiler has been built under Special Survey in accordance with the approved plan. The material and workmanship employed in its construction, so far as can be seen are sound and good. The Boiler is eligible in my opinion to be classed B.S. 11-20

The above boiler has been satisfactorily installed on board & on completion safety valves were adjusted under steam to 220 lbs.

Certificate (if required) to be sent to
(The Surveyors are requested not to write on or below the space for Committee's Minute.)
