30th June, 1914.

E. Dear Sirs,

I am in receipt of your letter of yesterday's date giving further particulars of the air receivers for the Bolinder motor of the "LEWES CASTLE", and in thanking you for your attention I beg to acquaint you that provided these air receivers be satisfactorily tested by hydraulic pressure to 350 lbs per square inch in the presence of one of the Society's Surveyors, they will be approved.

I am, Dear Sirs,

Yours faithfully,

Secretary.
