Dear Sir,

Steam Drifter "CURRENT" 139888.

The above vessel was built in 1919 by Messrs John Chambers Limited Culton Broads Lowestoft to the order of H M Lords Commissioner of the Admiralty. She has been sold by the latter to clients of ours and our Mr Graham has been appointed manager. We would esteem it a favour if you will let us know if the vessel was built to your specification and if you issued a classification certificate

If this was done is it possible to have a duplicate certificate issued to us. We may say that we require the certificate for change of name.

Thanking you in anticipation.

Yours faithfully

John Bonthron
