TRANSLATION.

2 7 Following on the letter which you have handed to me
beg to confirm that the Compagnie des Chemins de Fer du Nord
is fully decided that the "CAPITAINE ILLAQUER" shall be solely
gistered with the Bureau Veritas.

This vessel is now at Barry Docks damaged as a
sult of grounding in the dusk and the Bureau Veritas has been
formed of it.

With my regrets, Yours etc.

S. I seem to remember that Lloyd's has already been
formed of this decision.
