# Lloyd's Register of Shipping.

Port CAPE TOWN.

3rd October, 1942.

This is to Certify that I have  
Surveyed the M.V. "BORINGIA" of Glasgow, 5,821 tons gross, whilst  
afloat at Cape Town on account of damage

and that I have transmitted to the Committee of Lloyd's Register of Shipping, London, a Report, stating that all repairs recommended by me have been completed to my satisfaction, and that I have Recommended that she be retained as at present classed subject to permanent repairs being effected to port side shell plating and frames in way of Fore Peak Tank and to starboard side "M", and "L", shell plates at Owners' convenience also subject to a Bower Anchor being placed on board at the first convenient opportunity,

being fit to carry dry and perishable cargoes.

(Signed) T. H. NOEL. & A. H. BOYLE.

Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that :-

"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
