Dear Sir,

In reply to your letter of the 15th instant concerning Glasgow Report No.64162 on the Steamer "BEN HANN" the Surveyor states that, in his opinion, the aft part of the screwshaft in way of the oil gland should be examined before the end of February, 1943 and confirms that this can be done without drawing the shaft.

I am, Dear Sir,  
Yours faithfully,

*C. Phillips*  
Secretary to the  
Glasgow Committee.

The Secretary,  
WOKINGHAM.
