# Lloyd's Register of Shipping,

High Close,

Wokingham, Berks.

19th March, 1940.

Dear Sir,

S.

With reference to Glasgow report No. 61494 on Engine No. 340 made by Messrs. British Auxiliaries, Ltd., I may say that the Committee have today had before them a report received from the Society's Surveyor at Ipswich, from which it appears that this machinery has been satisfactorily installed in the motorship "BEN HANN", which has been classed 6100A1, carrying petroleum in bulk, 61LMC 2,40 subject, with other appropriate notations.

I am, Dear Sir,

Yours faithfully,

Clerk to the  
Classification Committee.

The Secretary,  
GLASGOW.
