

Shipbuilders: Messrs. *Row hedge Ironworks Co.* Yard No. *585*
Engineers: Messrs. *Atlas Diesel* Engine No.

It is submitted that ~~the plan of~~ *Messrs*
Row hedge Ironworks Co. be ~~merit approval~~
~~for~~ *informed* the copies of order sheets
~~provided~~ *for* main and auxiliary machinery
of this vessel have been received and
the Society's Surveyors are being requested
to give the matter the necessary attention.

With reference to the cargo pumps,
however, it should be explained that
the Society's Rules do not require these
items to be inspected at the maker's
works it being sufficient if an examination
under working conditions is carried out
after fitting on board

2/24/4
