Yard No.S.585.  
305 Ton Tanker for National Benzole Co.Ld.  
\*\*\*\*\*

Dear Sirs,

E.

I was duly favoured with your letter of the 5th instant, enclosing Drawing No.T.1312 (in triplicate) in connexion with the above vessel, and with regard thereto have to acquaint you that the plan of oil fuel tank will be approved, provided a stiffener be fitted as shown thereon and the tank be constructed under the usual conditions of survey and testing.

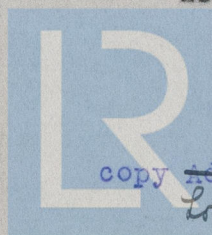

In reply to your enquiry, I have to state that the Society's Rules do not contain detailed requirements relating to lubricating oil and circulating water tanks, but the tanks should be to the satisfaction of the Society's Surveyors. The scantlings of these tanks have now been examined and are satisfactory.

One copy of the plan is returned herewith.

I am, Dear Sirs,

Yours faithfully,

Messrs.The Rowhedge Ironworks  
Co.Ld.,  
ROWHEDGE, near Colchester.
