YOUR REF

OUR REF TQ/G/1.

DATE 11th July, 1939.

Dear Sirs,

In your favour of the 20th March last you were good enough to give us certain information concerning storage tanks. We now have from Messrs. The Rowhedge Ironworks Co.Ld., Rowhedge, nr. Colchester, an enquiry for some tanks, four items of which as marked by us in red on the enclosed drawing are specified to be constructed of Lloyds tested material and to pass Lloyd's survey at our works.

We shall be glad if you will say whether the thickness of plate specified would be acceptable and what staying you would recommend in these tanks.

Yours faithfully,

G. A. HARVEY & CO. (LONDON) LTD.
