Dear Sirs,

D. I am in receipt of your letter of the 3rd instant, enclosing one from Messrs. John Bonthron & Son, of Anstruther, regarding the case of the Wooden Drifter "RENNYHILL" ex "Dyker Lassie" ex "Fogbank".

The circumstances referred to in Messrs. Bonthron's letter are not understood, and I am directed to request that you will be good enough to make arrangements to call on the firm with a view to ascertaining from them fully what they have in mind and report the result of your interview for the Committee's consideration.

As regards Messrs. Bonthron's observations concerning the actual name of the vessel, I think it may be of interest to the firm to know that, upon enquiry of the Registrar General of Shipping and Seamen, I find that the change of name to "RENNYHILL" is regarded as having been actually completed and that she stands on the official lists under that name.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,
LEITH.
