Survey due Special Annual Survey of Engines became due  
October, 1914.

A letter in Portuguese dated 4th December was addressed to the Managing Owner Mr S.G. Rhodes in regard to the above survey to which no reply was received and in the circumstances the Committee who had the case before them in March last gave instructions for the Owners to be informed that definite arrangements must be made for the survey to be held to entitle the vessel to retain her class. Mr Rhodes now writes from Southampton that the Managers of the above company are Messrs Wilson Sons & Co. Ltd. Pernambuco to whom he handed the Society's letter of the 4th December. He has also posted
