

PORTUGUESE **COPY.**

# Lloyd's Register of Shipping.

71, Fenchurch Street, E.C.

1 Enclosure.

18th March, 1915.

Dear Sir,

H.

With reference to the classification in this Society's Register Book of your steel screw ketches "LINARES" and "LINDORES" I beg to remind you that a letter, a copy of which I enclose, was addressed to you from this office on the 4th December last in regard to the special annual surveys of the engines of these vessels, to which no reply has been received.

In the circumstances the Committee desire me to say that as the surveys in question are considerably overdue, definite arrangements must be made for them to be held forthwith if the vessels are to retain their classification.

The Committee will therefore be glad to learn by return mail what steps you propose taking in the matter.

I am, Dear Sir,

Yours faithfully,

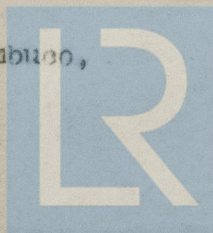

Secretary.

Sydney Gerald Rhodes, Esq.,

Cia de Cabotagem de Pernambuco,

PERNAMBUCO,
