RECD 7 JUN 1915

Dear Sir,

With reference to your letter of the 18th March addressed to Mr. Rhodes, we beg to inform you that the "Linares" and "Linderes" being under the Brazilian flag have to undergo surveys in accordance with the regulations of the Government of this country, and we have therefore decided that it would be better not to hold the annual survey you mention in addition thereto.

We regret that prompter advice could not be given, and thanking you for your reminder,

We remain, Dear Sir,

Yours faithfully,

Para Companhia de Cabotagem de Pernambuco
