-:-----:-

The Screw Shaft of this Fishing Vessel became due
for survey in May, 1912, and the Owner now requests that the
vessel be taken out of Lloyd's Register.

The case received the consideration of the Classing
Committee on the 23rd instant when it was decided to withdraw
the vessel's class from the Register Book and to insert three
dots (...) in lieu thereof, indicating withdrawal of class at
Owner's request.
