Survey due *Screw Shaft Survey due May 1912.*

On the 24th January last the Committee agreed to a proposal of the Owner to have the shaft examined about the end of April.

At the end of April, however, it transpired that owing to the short notice afforded the Aberdeen Surveyors of the drawing in of the shaft at Lossiemouth, they were unable to attend, and the Committee, who had the case before them on the 29th April, requested to Owner to make definite arrangements to draw in the shaft for the examination of the Society's Surveyors at the next drydocking. It was also pointed out that should
