Dear Sir, C.G S. "MALASPINA". at Glasgow.

The whole of the Staff is at present on holiday and it is impossible to find out what has been ordered with regard to the warps, but you may depend upon it that neither ourselves not the Canadian Government, not the Captain who will be responsible for the navigation will allow the vessel to proceed on her voyage without the equipments being fully up to requirements.

Any equipment required and not on board now will certainly be put on board at Glasgow.

Yours faithfully,

PER PRO.  
THE DUBLIN DOCKYARD CO LTD.
