Reference

My Dear Mabey,

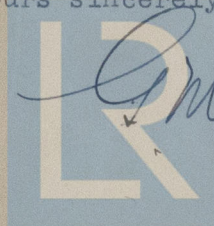

I am obliged for your letter of the 3rd instant, regarding our Report No. 20885 and would be glad if you will kindly arrange for the fee of £5 on the report to be amended to £4. 18. 4.

The reason for the reduction is that subsequent to sending the report to London it was pointed out that some connecting rods which had been tested under the new arrangement had been used in this engine and it was therefore necessary for us to give 1/8 credit as the fees for the connecting rods have already been paid.

The fee was amended in our Rough Fee Book before the transcript was sent but I omitted to remember to have the fee on the report altered.

With kindest regards,

Yours sincerely,
