Dear Sirs,

I return herewith two copies of the plan, forwarded with your letter of the 17th instant, of arrangement of bilge and tank suction at the after end of the vessel proposed for Messrs. Sir James Laing & Sons' Yard No. 723, and I have to inform you that this plan will be approved provided the arrangements be as shown and amended thereon, and the remaining requirements of Sections 20 and 34 of the Rules (1937-8) be complied with so far as they are applicable.

I shall be glad if you will arrange for plans of piping arrangement in the machinery space and at the fore end of the vessel to be forwarded to this Office for consideration.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,
