

EXTRACT from classing letter dated 27th October, 1913,  
sent to the Society's Surveyor at RIO DE JANEIRO.

S/S. "LORINDA PITTA". Reverting to your letter of the 15th  
ultimo, I have to acquaint you that this vessel is already  
dis-classed.

At the same time I have to point out that the screw  
shaft of the S/S. "MARANHAO", also belonging to the Brazilian  
Government, became due for inspection at the end of September  
last, and I shall be glad if you will ascertain and let me  
know what arrangements are proposed to be made in this case.
