Dear Sir,

re withdrawal of class for the steamers "JOHANN"  
"MATTHIAS" and "KASPER" as desired by Owners

From the enclosed letter received from Messrs Johann M.E.Blumenthal it will be observed that this Owner does not desire that the above named ~~three~~ steamers should not have their classes continued in the Society's Register Book. 1 ?

None of the above vessel have come under survey at present but the Germanischer Lloyd whose Surveyors are also those of the Sea Berufsgenossenschaft have a great pull with such owners in applying the Seeberufsgenossenschaft requirements when a vessel is classed with them and when she is not classed with them.

I am, Dear Sir,

Yours faithfully,

etc.
