Nature of Survey

Caulking

When due

1907.

This vessel became due for caulking last year.

The Owners now state that it is quite unnecessary for their purpose to have the Barge classed in the Society's Register, and they therefore do not intend to prepare <sup>her</sup> ~~them~~ for inspection by one of the Society's Surveyors.

It is submitted the vessel's class be omitted from the ensuing reprint of the Register Book.
