The Secretary,
London.

Sir,

In reply to your letter of the 2nd inst. having reference to my 1st entry report No 5659 on the P. & O. S. S. "Marmora", I beg to state that the net tonnage on my report should have been 5253.64.

In copying these tonnages from my note book, I somehow transposed the third and fourth figures of the net tonnage, and I very much regret the inadvertence, because of the inconvenience caused thereby. The classification certificates were forwarded to the Owners, hence the delay in my reply, please return the same as soon as possible, when the figures are amended, I am, Sir,
Your obedient servant
James Curpin

Referred to the Chief Ship Surveyor.
