18th June, 1903.

Dear Sir,

S. I beg to acknowledge the receipt of your letter of the 13th instant in further reference to the case of the steamer "SIRIUS", and to acquaint you in reply that the General Committee of this Society, who gave the matter their careful consideration today, regret that they will be unable to assign a class to this vessel unless a properly fitted watertight door, controlled from the deck, be fitted to the opening in the stokehold bulkhead to the satisfaction of the Society's Surveyors, or the opening in question be permanently closed.

I shall therefore be glad to learn what steps you will take in the matter.

I am, Dear Sir,

Yours faithfully,

Secretary.

W.R. Lundgren Esq.,

Shipowner,

GOTHENBURG.
