26th September, 1904.

Gentlemen,

I duly received Mr. Milton's letter of the 22nd instant, and in reply to his enquiry I am directed to state that in any case in which it is clearly stated in the specification which has been agreed to by the Owners of a vessel that close ceiling is not to be fitted except over limbers and under hatchways, this will be taken as fulfilling the provisions of the Rules requiring the Owners' sanction to be obtained by the Builders to deviations therefrom.

I am, Gentlemen,

Your obedient Servant,

Secretary.

The Surveyors,

BELFAST.

P.S. A special mention of the fact should be made in the first entry report on the vessel.
