-----  
A letter was recently received from the Owners  
in reply to enquiry stating that the vessels were classed  
with the Bureau Veritas.

The Paris Office have been communicated with  
and they now state that the Owners as soon as they purchase  
a vessel class her with the Bureau Veritas, and in the  
opinion of the Surveyors any steps they might take to  
persuade the Owners to go back on their decision regarding  
the classification would be futile.

It is submitted that in the circumstances the  
classes of the vessels should be withdrawn from the  
Register Book and three dots inserted in lieu thereof,  
indicating withdrawal of class at Owners' request.
