

Translation of an extract in a Paris letter, respecting
the S.S. "WAR PIBROCH" and "WAR BUCKLER".

The Ste. Maritime Nationale have become the Owners
of the 2 vessels "WAR PIBROCH" now "ST. PALAIS" and the "WAR BUCKLER"
now "PORTRIEUX". We have issued classification certificates and we
were told that these vessels would immediately go to the B.V.
We have pointed out that these vessels were classed for 4 years
and that it was unnecessary to change their classification society
before that date. Our objection will be submitted to Mr. Peillard,
Chief Engineer to the Company."
