AN 23

Sir,

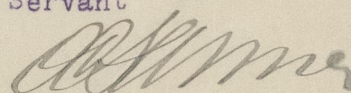

Report No. 700. S/S "MAUD".

I beg to inform you that the fees as set forth in this report have now been paid.

I shall also wish to inform you that the reason, why the completion of this report was as late as about 11 days after the last date of survey, was due to the fact that the certificates of the steel wires was not at hand, when the survey was completed, and had for some reason or others been detained by the mail between Fevig and this port.

I am, Sir,

Your obedient Servant

The Secretary,

LONDON.
