REMARKS.

Telephoned to the City Steamboat Company on the 15th instant and was informed that the above report is correct. They referred me to Messrs. John I. Jacobs & Co., the Brokers, for the name and address of the new Owners, and I was informed by Messrs. Jacobs that these boats have been purchased by the

Koln-Mulheimer Dampfs. Act. Ges.,
MULHEIM-a-RHEIN

Messrs. Jacobs incidentally mentioned that both vessels have already safely crossed to Rotterdam en route for Germany.
