Dear Sir,

The Burntisland Shipbuilding Co. Ltd.'s  
Yard No. 238 - Pumping Plan.  
-----

With reference to the arrangements already approved for flooding the No. 3 hold in this vessel, we beg to forward herewith plan, in triplicate, for approval showing the arrangement of ballast suction pipes to this hold, as desired by the Owners.

This arrangement was fitted in the same Builders Yard No. 142 s.s. "WESTBURY" for the deep tank suctions, and is desired in order to avoid putting any pipes or fittings in the hold.

We are, Dear Sir,

Yours faithfully,

THE SURVEYORS.

Per. 

The Secretary,

LONDON.
