Enclosures.

19th June, 1939.

Dear Sirs,

E.

I am in receipt of your letter of the 16th instant having reference to the plans of pumping arrangements for The Burntisland Shipbuilding Co's Yard No. 238, submitted with your communication of the 10th instant, and note your remarks.

The plan of general pumping arrangement has been examined and will be approved provided the arrangements be as shown and amended thereon, and the remaining requirements of Sections 20 and 34 of the Rules (1938-9) be complied with so far as they are applicable.

I have to acquaint you that the question of the flooding of No.3 hold is receiving special consideration, and I hope to be in a position to advise you in regard to this point some time to-morrow.

Two copies of the plan now approved are returned herewith.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

LEITH.
