Dear Sirs,

The Burntisland Shipbuilding Co.Ltd.  
Yard No. 238.  
-----

E.

I am in receipt of your letter of the 13th instant relating to the plan of pumping arrangements of the above vessel.

With reference to the remarks in the second paragraph of your communication of the 10th instant, I have to request that you will furnish me with further details of the circumstances in which it is proposed to carry a limited amount of water ballast in No.3 hold at the sides of the tunnel.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,  
LEITH.
