It is submitted that the plan of

merits approval, provided the arrangements be as
 shown and amended on the plan and the remaining

 the Committee consider that the practice
 of flooding holds, in order to ballast

 undesirable and whilst in the present
 instance exception will not be taken
 to the fitting of flooding connections
 to No 3 hold, the proposal is accepted on
 the distinct understanding that
 flooding will only be resorted to in
 cases of definite emergency, and
 further, provided ~~special~~ blank flanges
 be fitted as shown on the plan and
 to the Surveyors satisfaction.*
