Dear Sir,

Messrs. The Burntisland S.B. Co. Ltd.'s
Yard No. 238 - Pumping Plan.

The Midship Section and Profile for this ship
are at present in Glasgow awaiting approval and these were
expected to be forwarded for your information yesterday.

Owing to delay in receiving these and the
urgency of the case, the Builders state that this vessel
is practically a duplicate of their Yard No. 212, s.s.
"KINGSBURY", and that the plans for this vessel should be
sufficient for your purposes.

We are, Dear Sir,

Yours faithfully,

THE SURVEYORS.
