Dear Sirs,

My Company is making inquiries with a view to a vessel charter or purchase of the steam tug "MORENO". It is our understanding that this tug was at one time classed with Lloyd's Register but that the class was not continued. Will you please advise me what you may know of the condition of the tug and what, according to your records, would have to be done to re-class her.

W.L. Kealey  
Yours faithfully,
