ENCLOSURES

20th August, 1915.

Dear Sirs,

With reference to the case of the steam trawler "NEPTUNE" I enclose herewith the approved profile and pumping plan, and have to request that you will ascertain from the builders whether ballast tanks were fitted in way of the fish room, as shown on the pumping plan; and if so, to obtain from them the length and capacity of the same.

You will be so good as to return the enclosed plans with your reply.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

H u l l .
