Rpt.

No. 982

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

(“The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement.”—*Extract from Sub-Committee's Report, 24/5/92.*)

ature of Survey

It is submitted that before this case receives consideration the approved people & pumping plan should be sent the Hull Surgeons who should be requested to ascertain from the Builders whether ballast tanks were fitted in way of the fish room as shown on the pumping plan, & if so, ^{to obtain} the length & capacity of the same.
