Lisbon September 6th 1909.

Sir,

I have to acknowledge receipt of your letter dated 3rd September, covering certificates for Water Barges No.1 & No.2, for which I am much obliged.

Contents are duly noted and certificates have been handed over today, and am requested by Messrs H. Parry & Son to express their gratefulness and thanks to the Committee on their decision in regard to the thickness of the frames.

For your guidance I may say that the No.3 Barge will be launched on the 14th instant, according to present arrangements.

I am, Sir,

Your obedient Servant.

Geo. Payne.
