

Chief Ship Surveyor _____

Received from Chief Ship Surveyor _____

S NAME *No 1 & 2 Water Barges*

Rpt. *Lesbon*

No. *671-612*

Remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Survey *1st Entry*

The reports & approved plans are now found not to agree in regard to the thickness of framing & plating in some respects, and it is submitted that before receiving consideration they should again be returned to the Surveyor for amendment.

A Specimen Copy of a first entry report, shewing some filled in in the manner required for these water boats, if they are built in accordance with the approved plans, is attached & should be sent to the Surveyor for his guidance.
