Lloyd's Register of British & Foreign Shipping,

71, Fenchurch Street, E.C.

2 Enclosures.

9th August 1909.

Sir,

I return herewith your first entry reports Nos. 611 and 612 on the "NO. 1 WATER BARGE" and "NO. 2 WATER BARGE" respectively, and with regard thereto I have to request that you will complete the reports in respect of the following points, viz:-

- (a) Spacing of frames and beams
- (b) Breadth and thickness of main deck stringer plate
- (c) Size and thickness of angle on ditto.
- (d) Thickness of steel main deck plating
- (e) Breadths of strakes of shell plating
- (f) Breadths of landing edges of shell plating and spacing of rivets centre to centre in same
- (g) Breadth and thickness of buttstraps to outside plating, if fitted, or breadth of overlapped butts, and spacing of rivets centre to centre in same
- (h) The riveting of butts of main deck stringer plate, keelson butts and of frames to shell plating should also be stated on the space provided on the first entry report forms, and the reports filled in at the bottom of page 2.

as far as practicable.

At the same time I have to request that you will be so good as to forward the approved plans of these barges for reference.

I am, Sir,

Your obedient Servant,

Secretary.

G. Payne, Esq.,

LISBON.
