Dear Sir,

With reference to your letter of the 24th. inst., regarding the steam Tug "Pioneer", the year of grace allowed by the Rules on which expired at the end of April last; I beg to state that I have been in communication with the Owners, and can get no satisfactory reply as to when they propose completing the Special Survey No. 2. Having regard to the state of the framing when the Engine & Boiler space was examined in December 1914 see Hull report No. 28121, and as no effort has been made to carry out the repairs then recommended I am of opinion that the class of this vessel should now be expunged from the Register Book.

I am, Dear Sir,

Yours faithfully,

W. H. H. H.

Secretary,

LONDON.
