Received from Chief Surveyors \_\_\_\_\_

VESSEL'S NAME SM S. Ferryboat "Holl" Report Ham. No. 11788

For the CHIEF SHIP SURVEYOR and CHIEF ENGINEER SURVEYOR.

(In cases which have to be submitted to the Classing Committee "the endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Nature of Survey

First Entry

When due

This vessel was classed A- "For Service on the Golden Horn" on the 16th January last.

Some correspondence has ensued between this Office and the Builders in regard to the equipment of the Vessel and from a letter now received from the Constantinople Surveyor it is found that the equipment of anchors and chains which has been placed on board is in accordance with that approved.

It is therefore submitted that the figure 1 for equipment might now be assigned.
