No.

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Nature of Survey

Equipment

It is submitted that before this case reaches the consideration of the Committee the Superintendent of the Cradley Heaths proving house should be requested to forward full particulars of the 4 anchors mentioned in the Constantinople Surveyor's letter, the catalogue numbers of which are stated to be, 5368, 5363, 5364 & 5336
